

Tacoma Lesbian Concern Membership Form

Tacoma Lesbian Concern (TLC) is a south Puget Sound lesbian, bisexual and transgendered organization, in existence since the late 70s. The organization has a three-fold purpose:

- to provide opportunities for socializing
- to arrange supportive networking
- to furnish education and awareness

To meet these goals, we schedule, support and attend a wide variety of activities, work with other groups for common goals, provide a newsletter and a website.

Ready to Join Us...

Grab your checkbook and a stamp and fill out the form below ... We'll get you on our mailing list and we look forward to seeing you at events.
